OUR HISTORY

The Legend Group founded in 2012 offering marketing services, based on our affiliation with Madinaty, We created the Ahl Madinaty Magazine in 2012 as start to facilitate communication between residents and service providers within Madinaty district.

Then we made almost 80% of the city marketing, advertising, indoor & outdoor, and signboards and kept providing our clients within Madinaty with our advertising services.

Lately we launched our new project Ahl Madinaty Application which made Madinaty and all its services providers and shops at your fingertips.

OUR SERVICES

ONLINE ADVERTISING

Keep up with the latest technology and build a powerful presence online through the most powerful channels nowadays : Facebook, Twitter, YouTube, Instagram, LinkedIn and the most used platform all over the world "Google".

MOBILE APPLICATION DEVELOPMENT

In this decade you need a very powerful tool, and that tool is your mobile app. So don't stay behind and let us create your own mobile app.

WEBSITE CREATION

Create your website from scratch handling all designs, contents, and technicalities, optimize it for search engines, and then routinely check and update it to keep it on top.

PRINT PRODUCTION

Highest quality printing for anything from giveaways to full corporate identities.

OUTDOOR CAMPAIGNS

Billboards, light boxes and whatever crosses your mind when it comes traditional marketing.

EVENTS MANAGEMENT

We will be in charge of every aspect of your event with a wide and comprehensive range of planning, production, creating design and theme for the event, finding an event venue, transportation, creating and sending.

Make a lasting impression on your customers and clients, starting with unique designs and good quality of printing.
